SVGA Male to Male Cable

Details correct on: 12/11/2013

Notification	
Product Code	CDEX-267
Short Description	Beige SVGA HD15 male to male cable, 20 Mtr
Full Description	Our range of Super VGA cables are constructed using UL2919 approved 28awg triple mini coaxial and 5 30awg conductor cables, this allows them to be used for extended distances. Triple shielded with copper braid, foil and drain wire. Our cables are designed for standard monitors and may not work with widescreen LCD's that require DDC cable. The Male to Male range of cables are usually used to connect a monitor that doesn't have an attached cable to a video output or graphics card.
Extra Information	**Specification** SVGA Monitor Cable HD15 Male - Male Moulded 20 Mtr
